In the late 1970s we ventured across the country from northern California to western Pennsylvania and back through Washington and Oregon in Steven's boxy old 1965 Chevy van. Those were the days, my friends. That trip had a lasting effect and over time we realized we were destined to be full time RVers. In 1995 we sold our house and a Recreational Vehicle became our home. An RV has been our home every since.

The Rver's Bible is the ultimate guide to living and traveling in a recreational vehicle. From purchasing, maintaining, and driving the rig to navigating the emotional pitfalls of life on the road, this handbook covers all the bases. Now revised and updated, the RVer's Bible keeps you up-to-date with all the new technologies and systems of the 21st century RV.

-The aim of this text is to present, as simply and clearly as possible, the essentials of physics, chemistry, geology, and astronomy.

The primary purpose of the Manual of Classification of Motor Vehicle Traffic Accidents is to promote uniformity and comparability of motor vehicle traffic accident statistics now being developed in Federal, state and local jurisdictions. This manual is divided into two sections, one containing definitions and one containing classification instructions.

MaryJane Butters' go-to guide for putting glamour into camping."Glamping, or glamour camping, one of the

MaryJane's pet concepts, is about the juxtaposition of rugged and really pretty, grit and glam, diesel and absolutely darling."-The New York Times. Glamping-unleashing your inner wild while wearing a pair of fishing-lure earrings-is for every woman (or man!) who ever had a get-away-from-it-all fantasy (with a few frilly embellishments thrown in). Learn about the never-fail campfire, cooking with cast iron, how to change a flat, and much, much more. Follow the growing Glamping movement at maryjanesfarm.org and nationalglampingweekend.com. Like the infamous Calamity Jane, who said, "I figure if a girl wants to be a legend, she should go ahead and be one," MaryJane Butters coined the term glamping years ago when she founded her unusual Idaho canvas wall-tent bed & breakfast, which was featured in The New York Times Magazine and Travel & Leisure as "the place to be." Legend status achieved, MaryJane lives in Moscow, Idaho, where she runs her many businesses, which include a successful organic farm, product lines, a bed & breakfast, and MaryJanesFarm magazine. This is her fourth book.
