A Feminist Political Economic Framework. FPE deconstructs and reframes basic neo-liberal assumptions and in the process refocuses economic theory and constructs alternatives. It uses a political economic approach, which is "the study of society as an integrated whole.". This approach identifies and analyzes "social relations as they relate to the economic system of production" (Drache 1978 as quoted in Bezanson and Luxton 2006, 12).

Abstract. This article develops a feminist political economy framework for analyzing employment-related geographical mobility. We emphasize the relevance of political economy studies of class, neoliberalism, and globalization as well as feminist research on the interconnectedness between paid employment and social reproduction. Overall, we make the case for attending to how class, gender, racialization and/or ethnicity, citizenship, and other forms of difference are core constitutive ...
