A Guide To Conducting Independent Technical Assessments

An independent review can be planned and managed as a project with a three-phase life cycle: Planning and preparing for an independent review: Paraphrasing Yogi Berra, 90 percent of a review is in the planning; the other 50 percent is executing the plan and delivering the findings. In this phase, we emphasize the critical importance of working with the sponsor to identify and document all relevant details of the review from start to finish.

conducting a fact-~nding investigation, you may suspect that individuals have engaged in criminal conduct. Remember that your organisation is not a criminal investigation organisation and is not equipped to conduct criminal investigations. If these

concerns arise, it will be necessary to notify an appropriate criminal investigation

A GUIDE TO CONDUCTING INTERNAL

see if there is a case to answer. make sure everyone is treated fairly. gather evidence from all sides. help the employer to see what should happen next. At any stage the employer can still look at whether: the formal procedure needs to carry on. the issue can be resolved informally instead.

Step 1: Deciding if there needs to be an investigation ...

2.2 Search Strategy. In conducting the literature search, there is a need to define the sources/databases to be searched, the search process and how the studies found will be selected – these processes need to be documented. It is usually best to seek the help of a librarian during this stage. There is a need for detailed brainstorming to identify key search terms.
