Lecture notes and assignments - Penn Engineering

The slides refer across to each other for greater detail. Should questions arise during a shorter presentation, the notes point the presenter to more detailed slides for more information. Where extracts and examples from the DRC Code of Practice are included, these are located after the notes for the relevant slide.

Notes for presentation:

Writing notes doesn't mean to write everything. A lecture note is not the recording, it must be the extract of the lecture. You must write the main points of the lecture only. A lecture may include many things in it, your aim must be to pick up the correct and wanted things from it. The question now is how we could understand which is ...
