The movie version wasn't quite as climactic or meaningful as I'd imagined it in the text, but I still love Snape as a result. In the text: "I have spied for ...

After all this time? Always. - YouTube

It's not normal to be in shock for 17 years after a breakup, or to still be in love enough for a Patronus after so much time. Obviously Patronuses revert back to original form once some of the grief of the loss has worn off. He's not saying "after all this time, you still have a reason to be loyal to me?"

Why would Dumbledore say "After all this time?" to Snape?

After All This Time: What the "Always" in the Harry Potter Series Means. Hugh Lawson April 15, 2019 Share to. Share on facebook. Share on google. Share on twitter . Share on pinterest. Featured Image from: ClipartMax . Since its first publication in 1997, no one, not even J.K. Rowling herself, could have expected her books to become the phenomenon and pop culture staple that is the Harry ...
