Marcus Lowth. All claims of UFOs and alien encounters are, by their very nature, a little bizarre and outlandish. Some of them, however, are just a little too outrageous for even the most enthusiastic and dedicated UFO researcher to believe, at least not in their entirety. And while the following ten stories are most likely not genuine, there remains a tiny sliver of doubt; they might not be complete fabrications, either.

Joining the ranks of famous musicians who have seen aliens or UFOs is the legend David Bowie, who between having his demon-infested swimming pool exorcized and carrying talismans around to prevent witches from stealing his semen also saw his fair share of alien spacecraft. Apparently Bowie went through a phase in which he was dating a girl who would regularly bring him to meditation and UFO watching sessions, and during this time he apparently saw UFOs on many occasions.
