African Origin Of Electromagnetism

The book The Ankh - African Origin of Electromagnetism is written for someone who is well versed in how electricity works. I did not understand everything because it is a technical book but I did understand the premise. There are not many books that go into detail on the technical aspects of the ankh so I found this book to be very valuable.

The Ankh: African Origin of
Electromagnetism We would find it
ludicrous to believe, that an anthropologist
of the distant future could attempt an
understanding of modern civilization,
without acknowledging our use of
electronics.
