Your Blueprint for Successful Dividend Investing Disappointed with your current investment portfolio? Do you wish you had more money set aside for retirement? Are you tired of the day-to-day ups and downs of the market? Do you wish there was a strategy that you could follow that actually outperforms the market? Automatic Income is the best-selling dividend-investing book that teaches investors how to earn double-digit returns using a simple, proven and conservative investment strategy. Written by the founder and editor of MarketBeat, a daily investment newsletter with more than 425,000 subscribers, this invaluable resource will show you how to identify investments that offer lower volatility, higher returns and an automatic income stream of dividends that you can live off of during retirement. This strategy is easy to implement and will set you off on a path toward true financial independence. Here's what you'll learn: How you can create an automatic income stream you can actually live on during retirement. How to build an investment portfolio of rock-solid companies that outperform the S&P 500. What criteria can identify dividend stocks that consistently return 10% or more per year. Which newsletters, websites and other resources you should use to research dividend stocks. Why you won't be tempted to cash out your dividend stock portfolio during the next recession. How to reduce your tax bill by choosing the right dividend investments and the right accounts. Why dividend-growth investing is superior to traditional income investing strategies. Market risk is near an all-time high and interest rates are at a historic low. There has never been a better time to switch to a more sensible wealth-generation strategy. If you want to improve your market returns, spend less time worrying about money and achieve true financial independence, this book is for you.

Internationally bestselling financial advisor David Bach's Automatic Millionaire promotes a revolutionary system for making even the most undisciplined money managers rich. The Automatic Millionaire shows readers how to change their financial practices and even their lives, the simple and automatic way. The book begins with a powerful story about an average Canadian couple — he's a low-level manager, she's a beautician — whose joint income never exceeds \$55,000 a year, yet who somehow manage to own two homes debt-free, put two kids through college, and retire at fifty-five with more than \$1 million in savings. The incredible message Bach delivers is that the key to getting rich is "automating" the way to wealth by "paying yourself first," using automatic funded retirement accounts and money market accounts to secure the future and pay for the present. A concise guide that's a fixture on bestseller lists, The Automatic Millionaire introduces readers to a system that is powerful and simple — an automatically effective, life-changing system that delivers. Do it once, the rest is automatic.

Rich To what's the real secret to getting rich? What's the one thing I need to do? Now, in the newly revised *The Automatic Millionaire*, expanded and updated, David Bach is sharing that secret. *The Automatic Millionaire* starts with the powerful story of an average American couple--he's a low-level manager, she's a beautician--whose joint income never exceeds \$55,000 a year, yet who somehow manage to own two homes debt-free, put two kids through college, and retire at 55 with more than \$1 million in savings. Through their story you'll learn the surprising fact that you cannot get rich with a budget! You have to have a plan to pay yourself first that is totally automatic, a plan that will automatically secure your future and pay for your present. What makes *The Automatic Millionaire* unique:

- You don't need a budget
- You don't need willpower
- You don't need to make a lot of money
- You don't need to be that interested in money
- You can set up the plan in an hour

David gives you a totally realistic system, based on timeless principles, with everything you need to know, including phone numbers, websites and apps, so you can put the secret to becoming an Automatic Millionaire in place from the comfort of your own home. This powerful little book has the potential to secure your financial future. Do it once--the rest is automatic! *The Automatic Millionaire* is one of the most popular financial books of our time. It was a runaway hit when it was first published in 2004, spending thirty-one weeks on the New York Times bestseller list and appearing at number one simultaneously on the New York Times, USA Today, BusinessWeek, and Wall Street Journal business bestseller lists. It has sold over 1.5 million copies and been translated around the world in over a dozen languages. This is the first update since 2005 and includes updated information on taxes, investments, technologies and apps to automate your financial life as well as David's latest systems for making the entire process even easier.

"Michael Masterson has personally helped more people achieve financial independence than anyone else I know. He has been a valuable mentor in my own life. Michael's credentials go far beyond the fact that he is an extremely successful businessman. (There are thousands of those.) He has a unique gift for discerning—and explaining in easily accessible terms—what it really takes to succeed. *Automatic Wealth for Grads* will give any young person a tremendous headstart for achieving their financial and professional goals at a very young age." —Justin Ford, author of *Seeds of Wealth: An Incredible Wealth-Building Plan for Your Children* and Editor of *Main Street Millionaire* "Only time will tell whether you will have the guts and honor to follow Masterson's masterful plan. Good luck!" —From the foreword by Mark Skousen, Adjunct Professor, Columbia University, 2004-05 and Benjamin Franklin Chair of Management, Grantham University Organized around proven wealth-creating principles, this invaluable guide reveals powerful techniques and strategies that have personally worked for Michael Masterson as well as for the many people he's helped become wealthy and successful. Filled with in-depth insights and practical advice, *Automatic Wealth for Grads* will show you how to: Choose a great career, get your first job, and rise to the top of your field Continuously increase your income on a fast-track basis, and get the biggest raises of your life Profit from the real estate market—even in today's uncertain market Start or gain equity in a business that will provide an automatic future income stream Invest in the stock market, save money on taxes, make purchases that appreciate, reduce your credit costs, and achieve financial independence while you are still young enough to enjoy your money

Create wealth and become financially independent through Profitable Investments Virtually everyone would like to generate wealth, yet very few know how to start doing so. Financial freedom is a concept that has been talked about a lot lately. It is clear that most people want to be financially free, although there is no unanimity when it comes to addressing this issue. I'll explain myself. On the one hand, there are persons who think that being financially free is a myth, a legend, and unattainable, that is, something that would be fine but who doubt that it can be achieved. On the other hand, there are others that claim to have the keys and secrets to achieve it, but when you listen to them, all they offer are obvious things like saving more or not spending on what is not strictly necessary. Finally, there are people who have abandoned their jobs for someone else and have become self-employed, believing that this is the way that will free them from economic problems, which obviously does not have to be the case. What do I think? My position is that financial freedom is a perfectly achievable state and to achieve it, you have to devise and implement a specific strategy that will help you achieve it. I

Don't think it's a myth, nor do I think it can be achieved by just saving more or by self-employment. It is a reality that you can incorporate into your life if you put yourself to it with the necessary knowledge and teachings. For me, financial freedom is the state in which you live away from worries about money, since you have reached the state in which you have transcended them. Why? Because your level of income is higher than your level of expenses and in this way, you have enough means to live a satisfactory, full and abundant life from an economic point of view. Not only that; ideally, it would be the state in which you can live without what most people would call work, that is, without having to go to a certain place to do some things in exchange for a certain amount of money. And this is because the income you receive, thanks to the system you have established and which you will discover in this book, allows it without major problems. And is that possible? Of course, yes, as you will discover in this book. The strategy to achieve this status is to create a diversified system of passive income that operating in automatic or quasi-automatic mode, provides you with recurring and constant income without the need to be physically present. The key is in the concept of passive income, which Larry K. Halford shared in this guide. Larry K. Halford, an expert in investment will show you simple ways to invest your money to create passive income that once your initial investment has been created, the income is received constantly and periodically without the need to do anything else. You invest your time (or your money) only once and you begin to receive the income for life (or almost). In this book, you will learn: Why you need to invest in investment funds The different types of investment funds you need to know How to invest in investment funds How investment funds work How to invest in index funds And much more.... Are you ready to discover how to invest your money to create wealth and passive income and gain financial freedom? Then take the first step today! "I have known Michael for over twenty years. He has one of the smartest business minds I know. When he gives me advice, I pay attention, and you should, too. Automatic Wealth is full of wisdom and insight filtered by a master and brought to you in a well-written and delightful style." -John Mauldin, Editor of the bestselling book, Just One Thing: Twelve of the World's Best Investors Reveal the One Strategy You Can't Overlook "I am not usually a fan of this kind of book. One entitled Automatic Wealth made me suspicious. But I am a fan of Michael Masterson, and when I read the book, I was impressed. Masterson manages to go beyond the theory to tell you exactly how real people make real money in the real world. That, I think, is his genius. He's able to open his own eyes and see for himself what actually works. The result is original, clever, and very helpful to anyone who is serious about building wealth." -Bill Bonner, coauthor of Empire of Debt: The Rise of an Epic Financial Crisis "Michael Masterson has been a great friend of mine for over twenty years. I know for a fact that the strategy he teaches is the exact same strategy he has personally used to amass extraordinary wealth and prosperity for himself. He's reduced a normally daunting process down to six simple and unfailing steps YOU can absolutely use to vastly and rapidly increase your financial situation, often times doubling and redoubling your wealth every few years. This book will become your financial bible." -Jay Abraham, author of Getting Everything You Can Out of All You've Got: 21 Ways You Can Out-Think, Out-Perform, and Out-Earn the Competition "Michael Masterson's book is brilliant and concise, packed with breakthrough insights and unique wealth-building tips. Best of all, it's practical

How can you help shield yourself from a volatile stock market swings during retirement? Dividend investing! Many think that growing the value of an investment portfolio is most crucial to a comfortable retirement. While accumulating funds that grow before you reach retirement is essential, you also need a flow of income after you retire. Investing in solid companies that provide dividends regardless of the daily ups and downs of the market is essential to generating income during retirement. Intelligent Investing: Your Guide to a Growing Retirement Income will help you understand why and how to retire intelligently. The book will equip you with the knowledge you need to get started, as well as provide an investment strategy that is easy to follow. By investing intelligently, you can maintain your lifestyle in retirement by increasing your income. If you don't grow your income, inflation will chip away at it over time, and you'll slowly get poorer. Think about it: \$10,000 in 1980 bought much more than that same \$10,000 buys today. This book is for anyone who has been accumulating capital and financial assets throughout their career. You will learn why and how to Invest in companies that grow their dividends, providing you with income in your retirement, so you're not spending the value of your portfolio. If you're ready to learn how to have the retirement you deserve, this book is for you. Reviews for Intelligent Investing: Your Guide to a Growing Retirement Income by Steve Booren "I've long believed that investors shouldn't rely on uncertain capital gains to live on during retirement. Steve Booren's Intelligent Investing reminds us that a great way to work toward a prosperous retirement is with a portfolio of dividend stocks that seek to stay ahead of inflation with a goal of providing steadily growing income over time." - Matthew Paulson - Founder, MarketBeat - Author, Automatic Income "Intelligent Investing is a straightforward guide to getting ready for and thriving in retirement. Like the title suggests, the strategy detailed in the book is a smart way to prepare for your financial future. In fact, I'd say it's the most intelligent way." - Marc Lichtenfeld - Author, You Don't Have to Drive an Uber in Retirement and Get Rich with Dividends "There are hundreds of books about retirement planning. Steve Booren's book, Intelligent Investing, covers the complex topic of retirement income in an understandable, easy-to-read way. Real client scenarios combined with his investment strategy, developed over decades, will inspire thought and conversation about the most important steps in determining your financial future." - Jim Putnam - Chairman of the Board, LPL Financial "Young investors should focus on growth in dividends and position themselves to invest in dividend stocks that have a high likelihood of increasing dividends in the future. In his book, Steve Booren explains why growing income through intelligent investing is key to retirement success." - Millionaire Mob - Author, Dividend Investing Your Way to Financial Freedom: A Guide to Live Off Dividends Forever "What's the difference between being rich and being wealthy? If richness is fleeting, wealth is lasting. The methods Steve discusses in Intelligent Investing can help to create and preserve lasting wealth." - Lee Brower - Founder, Empowered Wealth - Author, The Brower Quadrant
