This book presents an interpretive, macro-historical, and sociological account of martyrdom. Moving away from the notion of martyrdom as an object of individual behavior and seeing it instead as a significant cultural work performed by communities in the wake of a violent death, it provides a novel interpretation of Western political and religious history. In addition to thus redressing the disproportionate attention given to the concept ' s relationship to Islam, the author offers a new perspective on two defining historical processes: secularization and the rise of modern sovereignty in the form of the nation-state. An innovative analysis of the role of sacrifice in contemporary culture, which constitutes a timely critique of long-dominant theories of disenchantment and the privatization of religion, *The Ultimate Sacrifice* will appeal to sociologists and social theorists with interests in religion, politics, and the connection between the two.

The masterpiece of travel writing that revolutionized the genre and made its author famous overnight An exhilarating look at a place that still retains the exotic mystery of a far-off, unseen land, Bruce Chatwin ' s exquisite account of his journey through Patagonia teems with evocative descriptions, remarkable bits of history, and unforgettable anecdotes. Fueled by an unmistakable lust for life and adventure and a singular gift for storytelling, Chatwin treks through “ the uttermost part of the earth ” —that stretch of land at the southern tip of South America, where bandits were once made welcome—in search of almost-forgotten legends, the descendants of Welsh immigrants, and the log cabin built by Butch Cassidy. An instant classic upon publication in 1977, *In Patagonia* is a masterpiece that has cast a long shadow upon the literary world. For

more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines.

Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Clothesline Swing is a journey through the troublesome aftermath of the Arab Spring. A former Syrian refugee himself, Ramadan unveils an enthralling tale of courage that weaves through the mountains of Syria, the valleys of Lebanon, the encircling seas of Turkey, the heat of Egypt and finally, the hope of a new home in Canada. Inspired by One Thousand and One Nights, The Clothesline Swing tells the epic story of two lovers anchored to the memory of a dying Syria. One is a Hakawati, a storyteller, keeping life in forward motion by relaying remembered fables to his dying partner. Each night he weaves stories of his childhood in Damascus, of the cruelty he has endured for his sexuality, of leaving home, of war, of his fated meeting with his lover. Meanwhile Death himself, in his dark cloak, shares the house with the two men, eavesdropping on their secrets as he awaits their final undoing.

Spark your Dream is a true Story of personal inspiration that explores the inconveniences and the solutions that are presented at the beginning of a dream. Through this incredible journey the reader will live the risk, the sensation of freedom, the passion, the pain of a death, the birth of a son, frustration, life, and succes. And surely, upon getting to the destination you won't like to stop, but you will have to do like Herman and Cande did upon arrival in Alaska. And you'll get there moved to tears and jump with them celebrating, knowing that dreams are possible if one day you begin.

'Stunning...divine' Stephen Fry 'A fabulous book, good enough to eat with a spoon! Marvellous' John Lloyd, creator of QI 'Perfect for the armchair adventurer historian, this is a rich visual exploration of some of the most beautiful charts ever created'

National Geographic' Introduces us to a whole different way of looking at maps. Great illustrations, most engaging - the author is just a mine of information' Simon Mayo's Books of the Year The Golden Atlas is a spectacular visual history of exploration and cartography, a treasure chest of adventures from the chronicles of global discovery, illustrated with a selection of the most beautiful maps ever created. The book reveals how the world came to be known, featuring a magnificent gallery of exceptionally rare hand-coloured antique maps, paintings and engravings, many of which can only be found in the author's collection. Arranged chronologically, the reader is taken on a breathtaking expedition through Ancient Babylonian geography and Marco Polo's journey to the Mongol Khan on to buccaneers ransacking the Caribbean and the voyages of seafarers such as Captain Cook and fearless African pathfinders. Their stories are told in an engaging and compelling style, bringing vividly to life a motley collection of heroic explorers, treasure-hunters and death-dealing villains - all of them accompanied by eye-grabbing illustrations from rare maps, charts and manuscripts. The Golden Atlas takes you back to a world of darkness and peril, placing you on storm-lashed ships, frozen wastelands and the shores of hostile territories to see how the lines were drawn to form the shape of the modern world. The author's previous book, The Phantom Atlas, was a critically acclaimed international bestseller, described by Jonathan Ross as 'a spectacular, enjoyable and eye-opening read' and this new book is sure to follow suit.

“ Kemal Kayankaya is the ultimate outsider among hard-boiled

private eyes.” —Marilyn Stasio, The New York Times Book Review OVER 1 MILLION COPIES SOLD WORLDWIDE
Moskau zum Baikalsee Wladivostok Und
Fahren Die Transsib Per Luxuszug Und
Bug
When a Turkish laborer is stabbed to death in Frankfurt's red light district, the local police see no need to work overtime. But when the laborer's wife comes to him for help, wise-cracking detective Kemal Kayankaya, a Turkish immigrant himself, smells a rat. The dead man wasn't the kind of guy who spent time with prostitutes. What gives? The deeper he digs, the more Kayankaya finds that the victim was a good guy, a poor immigrant just trying to look out for his family. So who wanted him dead, and why? On the way to find out, Kayankaya has run-ins with prostitutes and drug addicts, gets beaten up by anonymous thugs, survives a gas attack, and suffers several close encounters with a Fiat. And then there's the police cover-up he stumbles upon ...

With an introduction by novelist David Vann Jon Krakauer's *Into the Wild* examines the true story of Chris McCandless, a young man, who in 1992 walked deep into the Alaskan wilderness and whose SOS note and emaciated corpse were found four months later. Internationally bestselling author and mountaineer Jon Krakauer explores the obsession which leads some people to discover the outer limits of self, leave civilization behind and seek enlightenment through solitude and contact with nature. In 2007, *Into the Wild* was adapted as a critically acclaimed film, directed by Sean Penn and Emile Hirsch and Kristen Stewart.

The original 'Bug Muldoon' book, about a beetle detective told in a Raymond Chandler-type narrative. There's weird stuff going on in the garden and Bug has to get to the bottom of it. It started off as a run-of-the-mill missing insect case, but now the ants are acting strange and the Wasp Queen is threatening to kill him. Just what is going on...

After failing a critical assignment overseas, Will Robie must

investigate a murder accusation against his father--but to save him, he'll have to face a violent and deadly fallout in this New York Times bestselling thriller. Will Robie escaped his small Gulf Coast hometown of Cantrell, Mississippi after high school, severing all personal ties, and never looked back. Not until the unimaginable occurs. His father, Dan Robie, has been arrested and charged with murder. Father and son haven't spoken or seen each other since the day Robie left town. In that time, Dan Robie--a local attorney and pillar of the community--has been elected town judge. Despite this, most of Cantrell is aligned against Dan. His guilt is assumed. To make matters worse, Dan has refused to do anything to defend himself. When Robie tries to help, his father responds only with anger and defiance. Could Dan really be guilty? With the equally formidable Jessica Reel at his side, Robie ignores his father's wishes and begins his own desperate investigation into the case. But Robie is now a stranger to his hometown, an outsider, a man who has forsaken his past and his family. His attempts to save his father are met with distrust and skepticism...and violence. Unlike the missions Robie undertook in the service of his country, where his target was clearly defined, digging into his father's case only reveals more questions. Robie is drawn into the hidden underside of Cantrell, where he must face the unexpected and possibly deadly consequences of the long-ago choices made by father and son. And this time, there may be no escape for either of them.
