From these very different perspectives, Gaines is able to provide an in-depth analysis of racism, poverty, and masculinity. The five stories in Ernest Gaines' Bloodline explore various stages of life from the perspective of poor African Americans in the early 20th century. The first two stories are told from the perspective of a child, the second from the perspective of a 19-year-old, the fourth from the perspective of a 70-year-old, and the final from a variety of quickly shifting perspectives.

~~Bloodline: Five Stories by Ernest J. Gaines~~

Ernest J. Gaines must be acknowledged as one of the masters of the long short story. In Bloodline he is in top form. In the few pages each story encompasses, Gaines reveals a world many of us have never seen--the world of poor black people only a few decades ago. His characters are realistic, deftly drawn, and full of surprising depth.
