Blue Ocean Strategy From Theory

Recognized as one of the most iconic

and impactful strategy books ever

written, Blue Ocean Strategy argues

that cutthroat competition results in

nothing but a bloody red ocean of

rivals fighting over a shrinking profit

pool. It presents a systematic

approach to making the competition

irrelevant and outlines principles and

What is Blue Ocean Strategy | About Blue Ocean Strategy

The U.S. wine industry provides an example of how various tools and frameworks can be applied in the creation of blue oceans. One such framework, the strategy canvas, captures the current states of play in the known market space. The four actions framework reconstructs buyer value elements by posing four key questions that challenge an industry's strategic logic and business model. When a particular wine manufacturer applied the four actions framework to the strategy canvas, it created a wine ...
