What is a First Edition Book? In publishing terms, a first edition book is all copies that were printed from the same setting of type as when first published. The book is only described as a second edition if significant changes are made to the copy. In collecting terms, a general definition of 1st edition book would be a work's first commercially available appearance in book form, printed with the original setting of type.

*The First Edition Rare Books / Rare Books by Notable People*

First edition books are the first appearances in print of a particular work, and as such convey value and meaning to their owner, aesthetically, emotionally and monetarily. Author Title

*Collecting First Edition Books - Biblio*

As we've mentioned elsewhere, first edition means the first printing of a book. Edition and printing can be used fairly interchangeably in talking about collectible books, especially in regard to modern fiction.

*How to Identify a First Edition Book - 1st Editions*

A first edition is the first printed appearance (also known as printing) of a book. Sometimes this can also indicate the first printed appearance of a particular edition (for example: first illustrated edition or first UK edition).

*First Edition Identification by Publisher*

To shed a little more light, the first time a publisher releases a new book all copies of that book that are printed without major changes can be considered a first edition. If the initial print run of this first edition sells out and the publisher decides to produce a subsequent printing with the same typeset the book would be described as a first edition, second printing.

For publishers, "first edition" may just mean the first version of the text, without significant revisions. Many publishers will print the hardcover edition of a book and call that a first edition, then print the same text in paperback and call it a first edition as well.

*How To Tell If A Book Is A First Edition Or Valuable ...*

Generally speaking, if the "1" is present, the book is a first edition (first edition, first printing). For the second printing, the "1" is removed, so the "2" is the lowest number present. For example, a number line that reads 5 6 7 8 9 indicates a fifth printing. Occasionally a number line will be accompanied by a date line.
