The chain of command is the structure of an organization that allows instructions to be passed on from senior managers to lower levels of management. In the above figure, there is a short chain of command since there are only four levels of management shown. Now, if you look closely, there is a link between the span of control and chain of command.

Notes on the Definition of Management: Management is defined as the process of getting things done through the efforts of other people. This often involves the allocation and control of money and physical resources. A manager is not a manager if he works alone, i.e., unless involved in the process of getting things done through others.
