manufactured and marketed by Chevrolet for the model years of 2005 to 2009, replacing the Venture and the Astro. Initially marketed alongside the Venture and Astro, the Uplander and its rebadged variants, the Saturn Relay, Buick Terraza, and Pontiac Montana SV6, were manufactured at GM's Doraville Assembly. However, due to low sales, it was discontinued in 2008 and General Motors exited the minivan market. Production ended in September 2008, as well as the clo

For 2009, the Chevrolet Uplander is unchanged, save for a new tire pressure monitoring system and optional side airbags for the second-row seats. Available in regular or extended-length wheelbase, seating up to seven passengers, the Uplander uses a 3.9-litre V6 engine with four-speed automatic. Trim levels are the LS, LT1 and LT2 in both wheelbase lengths.

*2005 Chevrolet Uplander - Carlist.com*

I owned a 2009 Chevrolet Uplander and found it completely uninspiring, but that being said if you need a cheap mini van and could get one at a low enough price I would not necessarily advise against buying one. The 3.9 Liter engine is a gas guzzler but it is powerful and performs well. The interior is cheap plastic and looks and feels awful.
