~~Cities by design: the social life of urban form - LSE ...~~

This book powerfully shows that city-making is a social process and examines the close relationship between the social and physical shaping of urban environments. With cities taking a growing share of the global population, urban forms and urban experience are crucial for understanding social life. Who makes our cities, and what part do everyday users have in the design of cities?

“clumsy solutions” . It is argued that clumsy solutions, the four rationalities and related concepts fit Jane Jacobs ’ claim for more diversity in urban design. This essentially calls for imperfect cities by design, ‘ built ’ by Jacobs ’ generators for diversity. Although this outcome might not be revolutionary in the current debates about urban design, the concept of clumsy solutions provide a foundation for Jane Jacobs ’ atheoretical claim for a diverse ...
