This book constitutes the refereed proceedings of the 1st IFIP Entertainment Computing Symposium held in Milan, Italy on September 7-10, 2008. The IFIP series publishes state-of-the-art results in the sciences and technologies of information and communication. The scope of the series includes: foundations of computer science; software theory and practice; education; computer applications in technology; communication systems; systems modeling and optimization; information systems; computers and society; computer systems technology; security and protection in information processing systems; artificial intelligence; and human-computer interaction. Proceedings and post-proceedings of refereed international conferences in computer science and interdisciplinary fields are featured. These results often precede journal publication and represent the most current research. The principal aim of the IFIP series is to encourage education and the dissemination and exchange of information about all aspects of computing.

Born of Japan's cultural encounter with Western entertainment media, manga (comic books or graphic novels) and anime (animated films) are two of the most universally recognized forms of contemporary mass culture. Because they tell stories through visual imagery, they vault over language barriers. Well suited to electronic transmission and distributed by Japan's globalized culture industry, they have become a powerful force in both the mediascape and the marketplace. This volume brings together an international group of scholars from many specialties to probe the richness and subtleties of these deceptively simple cultural forms. The contributors explore the historical, cultural, sociological, and religious dimensions of manga and anime, and examine specific sub-genres, artists, and stylistics. The book also addresses such topics as spirituality, the use of visual culture by Japanese new religious movements, Japanese Goth, nostalgia and Japanese pop, comics for girls, and more. With illustrations throughout, it is a rich source for all scholars and fans of manga and anime as well as students of contemporary mass culture or Japanese culture and civilization.

READ real Japanese Today! By choosing short stories, the intimidation factor is greatly reduced. Not only that, but we divide the story up into tiny, easy-to-swallow segments with complete explanations to give you confidence as you read real Japanese page by page. Perfect for upper beginner level students of Japanese. BONUS! Get FREE MP3s of the story read by a native Japanese voice actress, one read at normal speed and one read slowly. Listen while reading. The link to the MP3s is found on the last page. EXTRA BONUS! Included with the MP3s, are PDFs of all the vocabulary and grammar points. Feel free to print these out to use while reading. Now with Furigana! All our readers now have furigana in both the paperback and Kindle versions. Furigana is the small hiragana over the kanji—most devices support this new feature. Have you studied for a year or two but just don't feel like you are progressing? This book is for you too. We suggest reading the Japanese only section first (includes furigana) and then go through the line-by-line running gloss section to cement understanding and learn vocabulary. * All Japanese have furigana (printed version and Kindle version on supported devices (most new devices)) and romaji for those starting out. * Three complete Japanese short stories. Each story is presented in three unique ways. * Two stories are about Hikoichi and the third is about a girl and a mask. * GLOSS: Read the story with a running gloss-understand completely. Every sentence is broken down word-for-word and with English explanation of the grammar. * GRAMMAR: Tap the grammar icon (Kindle version) to zoom to fuller explanations. Tap the back button to return to the text * JAPANESE ONLY: The full story in Japanese only (without the running gloss) is also provided so you can practice reading without interruption. * ENGLISH SUMMARY: Finally, we have included a simple and mostly literal English translation for you to check your understanding (Don't cheat! Work through the Japanese first!). * Short stories makes reading full Japanese texts possible. * Download the FREE MP3s to listen while you study. Hikoichi You may know our first Japanese Reader Collection Volume has several Hikoichi stories. By far, those have been the most popular among students. Hikoichi is, after all, an interesting character. Smart, sassy, creative in his laziness...In short, his adventures are entertaining. Plus, not many non-Japanese are as familiar with Hikoichi as they are Momotaro or the Moon Princess. So, be one of the few to dig in, enjoy, and learn more about Hikoichi! Finally, we invite the reader to contact us with questions or requests for future Japanese readers. You will find our personal email addresses in the book. To your Japanese! What are you waiting for? Ninja up your Japanese. Click "Buy Now" now!

From the World's No. 1 Storyteller, James and the Giant Peach is a children's classic that has captured young reader's imaginations for generations. One of TIME MAGAZINE's 100 Best Fantasy Books of All Time After James Henry Trotter's parents are tragically eaten by a rhinoceros, he goes to live with his two horrible aunts, Spiker and Sponge. Life there is no fun, until James accidentally drops some magic crystals by the old peach tree and strange things start to happen. The peach at the top of the tree begins to grow, and before long it's as big as a house. Inside, James meets a bunch of oversized friends:Grasshopper, Centipede, Ladybug, and more. With a snip of the stem, the peach starts rolling away, and the great adventure begins! Roald Dahl is the author of numerous classic children's stories including Charlie and the Chocolate Factory, Matilda, The BFG, and many more! James and the Giant Peach remains a favorite among kids and parents alike nearly 60 years after it was first published, thanks to its vivid imagery, vibrant characters and forthright exploration of mature themes like death and hope.[] TIME Magazine

Get ready for a story that will really resonate in your heart!this marks the beginning of a classic fantasy tale full of epic world building!! A princess who does not yet know her destiny and a boy driven by the urging of his mysterious [peach] powers/when these two meet, it kicks off an epic adventure!! A princess who aspires to see the world. Saltherine, asks a traveler, Mikoto, to take her outside the walls of her home country. But then a group of [ogres,] creatures with immense power, attack the castle, upending the princess's peaceful homeland in an instant!! On her journey to learn about the world outside her homeland, Sally is reunited with Mikoto and swears to fight discrimination before they once again go their separate ways. Sally's next destination is the forest to the west where Winnie the witch lives. Encounters with witches, elves, beastmen, and new ogres teach Sally even more about the problems plaguing her world!! A new chapter in this classic fantasy story that began as a fairy tale, the [Witch of the Western Wood] Arc, begins! You won't want to miss a single page!

This colorfully illustrated multicultural children's book presents several Japanese fairy tales and other folk stories/providing insight into a rich oral culture. Welcome to a fantastic world populated by magical teakettles, long-nosed goblins, brave warriors, and a host of other beloved characters who have lived on for centuries in the traditional tales of Japan. Drawn from Japanese folklore that has been passed down from generation to generation, the nine enchanting stories collected in this volume have been lovingly retold just for today's readers. Vibrantly illustrated and full of thrilling adventures, funny discoveries and important lessons, they're sure to become story time favorites. Included are some of Japan's best-loving children stories: Peach Boy The Magic Teakettle Monkey-Dance and Sparrow-Dance The Long-Nosed Goblins The Rabbit in the Moon The Rabbit in the Moon The Tongue-Cut Sparrow Sill Saburo The Toothpick Warriors The Sticky-Sticky Pine

Originally titled Children's and household tales, The complete Grimm's fairy tales have contained the essential bedtime stories for children worldwide for the better part of two centuries. This edition features 201 fairy tales and 10 children's legends, accompanied by over 60 iconic illustrations from Arthur Rackham and a new introduction.

Orphaned and mistreated by cruel aunts, James accidentally creates a giant peach which carries him off to great adventures.
