We all have heard stories about
courage. When we are kids,
courage comes from superheros
taking down bad guys and saving
the world. And as we get older,
we hear of the mesmerizing
accomplishments of courageous
people who fight in wars, spur
massive social change, and save
lives.

The best way to replace a letter from a word to make another word is to use dCode that will try all possibilities (only one letter or more than one letter changing) . If the position of other letters is kept unchanged (search for paronym): Example: From the word LETTER, by switching the first letter with a B, on can make the word BETTER. If letters can be scrambled, then:
