Undying Glory by Tom Billings explores a common thread running throughout the Hellenic mythos. The Solar Path is walked by Perseus, Jason, and other heroic figures of the canon - but only one reaches its end. In this practical treatment of Greek mythology, Billings highlights the Solar Hero archetype, advancing it as an ideal for men to aspire to. He explains in detail the symbolic meaning of relevant myths, along with valuable lessons they impart. Truly priceless however is his unparalleled analysis of the Solar Path itself. This is an essential addition to the Heroic Solar current within European spirituality. FROM THE AUTHOR: "This work is based in Greek mythology, but is an esoteric work intended to help men better understand their place in the world. The book aims to look at these myths and the symbolism that lies hidden in them. It tries to draw out and examine the wisdom embedded in the stories. "In essence, whether one believes in the veracity of the myths or not, the moral guidance is more than valuable. The upward path of the hero promotes spiritual and moral growth. It is a path of striving - the path of a strenuous life that rewards the hero for his efforts. Do not be content with a shiftless life; tread the path of Undying Glory."

Nicodemus (1749-1809), a monk of Saint Athos dedicated to asceticism and learning, was one of the most influential Orthodox writers of the last two centuries. His Handbook, written during the Age of Enlightenment in Europe, shares an exalted vision of human nature, but a vision that proceeds from the truths of revelation as interpreted by the Greek Fathers, not Descartes.

Seven Spheres by Rufus Opus Seven Spheres is more than a simple book of traditional Hermetic Magic. It is designed to be a series of rituals that function on many levels to take an average ordinary magician and turn them into a self-actualized powerhouse of proactive reality engineering. It's entirely about attaining initiation and empowerment in the highest levels of un-manifest reality. These experiences and rites result in the release of a floodgate of power that pour down through the layers of progressive manifestation, building up awareness, understanding, and ultimately raw potential as you move from sphere to sphere through the rites, ultimately culminating in the anointing of the magician as Priest-King directing the forces that climax in your personal daily experience of the Joy of your life. This book isn't about physical or spiritual mastery, it is entirely about understanding that you, personally, are beloved, honored, blessed, and highly favored of every intelligence, spirit, angel, and god of every sphere. This is about understanding who you are and what you can accomplish as a human being manifest upon the surface of the Earth. Spiritual enlightenment and material mastery will be yours, if you do the work described. "There are few in the field today that have both technical expertise and a genuine love of the spirits. A man who is as on-fire with the Holy Spirit as a tent-revival preacher, but who can make complex evocation instruction as clear as your ABC's. Rufus Opus is that kind of Priest-Magician. For years he has been making laying down his brand of hermetic magic with style and sass on his blog and in his courses. Now with this book, he will be blowing open the gates for an even wider audience." -Jason Miller, author of Sex, Sorcery, and Spirit "Rufus Opus is a frequent speaker and panelist at Crucible convention that features active magical leaders from known and exotic paradigms. He has shown a great ability to add a combusive dynamic to his life through his own personal workings." -Arthur Moyer, Ominancer, host of Crucible Convention "Rufus is a well-educated and experienced occultist who firmly knows and strongly communicates his field without scaring or dumbing down for an audience. He is one of my go to authors for collected works on the topic." -Andrei Freeman Note: This book is a stand-alone series of rites that can empower you and change your life if you do the magical rites as described in the book. However, it is also intended to be a textbook for a series of courses provided by Rufus Opus. If you are interested in additional training and more useful information, please contact Rufus at rufusopus@rufusopus.com.
