Specimen and exemplar questions papers Specimen question papers are available for National 5, Higher and Advanced Higher qualifications. Exemplar question papers are available for Higher and Advanced Higher qualifications. Find them under 'Past Papers and Marking Instructions' on your subject pages.

SQA - NQ - Past papers and marking instructions

Engineering and Physical Sciences Research Council (EPSRC) ... This green paper seeks views on government's vision for social housing providing safe, secure homes that help people get on with ...

Policy papers and consultations - GOV.UK

It includes up-to-date, relevant material, about modern engineering technologies, materials and processes, and established engineering practices. Content is more detailed and clearly defined, with explicit parameters to support and guide you and your students through old and new topics.

AQA | Engineering | GCSE | Engineering

Within the Chemical Engineering Journal, the Chemical Reaction Engineering section presents papers on a wide range of topics including reaction kinetics, simulation and optimization of different types of reactors, unsteady-state reactors, multiphase reactors, and process intensification including fundamental investigations of the processes of heat, mass and momentum transfer that take place along with chemical reactions. Innovative research works addressing critical areas of reactor ...

Chemical Engineering Journal - Elsevier

Our Level 1 / 2 Engineering specification provides learners with a more practical alternative to GCSE study. The qualification introduces students to the various strands available within the engineering field, providing learners with the opportunity to develop knowledge, skills and understanding through tasks set in realistic work-related contexts.

Level 1/2 Engineering - WJEC

BTEC Nationals in Engineering: 2019 past papers in one place. 7 February 2020 This update is to help you access the past papers for the 2019 exam series for BTEC Nationals in Engineering, Unit 1, 3 and 6. Read more Unit 1: Question papers and mark schemes for January and June 2019 ...

BTEC Nationals in Engineering: 2019 past papers in one ...

Our Engineering Justification Papers (EJPs) set out the scope, technical need, options assessed, costs and benefits for our proposed investment programmes. These engineering justification papers cover proposed investments which are required for improving the asset health of our network (Core non-load works), increasing the load capacity of our network to accommodate new generation connecting to the system (Load related works) and both direct and indirect network operations which relates to ...

Design briefs, design specification and user requirements R105 - This sample assessment document should not be used as live assessment but can be used as teaching and mock assessment material. PDF 625KB; Product analysis and research - Sample set assignment R106 - This sample assessment document should not be used as live assessment but can be used as teaching and mock assessment material.

Cambridge Nationals - Engineering Design Level 1/2 Award ...

Engineering is about designing processes and making products to solve real-world problems. Our course enables you to develop your engineering knowledge, skills, imagination and experience to the highest levels in readiness for your future career.

Engineering | Undergraduate Study

Search Tips. Search for Module Code or part of the Module Code, e.g Searching on AC will return all Accounting exam papers; AC500 will find AC5001, AC5002, AC5003, etc. Searching on a complete Module Code will return the paper(s) for that Module e.g. searching for AC5003 will return the Principles of Finance exam paper.

Past Papers Database - Student Zone

Our Cambridge National in Engineering Design helps students understand the processes of engineering design and how market requirements inform client briefs. Through practical activities they develop skills in computer modelling and model making and how to communicate design ideas effectively.
Specification code: J831, J841

Cambridge Nationals - Engineering Design Level 1/2 Award ...

Some schools offer Applied GCSEs in vocational subjects such as engineering, business, and health and social care. To start a GCSE you don't usually need any qualifications. A small number of additional marks will be awarded for spelling, punctuation and grammar for GCSE English literature, geography, history and religious studies.
