Environmental Economics, 2nd Edition by Charles D. Kolstad ...

Charles D. Kolstad - Environmental Economics. Looking for a textbook that focuses solely on environmental economics, getting straight to the point? Kolstad's Environmental Economics does exactly that, assuming knowledge of micro- and macroeconomics from the off. While not offering newer ideas for the study and analysis of the environment in relation to economics like the other books on our list, this work will, however, give you a comprehensive overview of what the field looks like right now.

Economics 250 Environmental Economics - Stanford University

Importance of Environmental Economics. Environmental economics has a vast and revolutionary history as a subject. Going beyond neo-classical economics, development economics as well as growth economics, we need to study this part of economics tenderly. Neo-classical economics is the sole base of it (Kolstad, 2000).
