Formulating Detergents and Personal Care Products. Edited by Louis Ho Tan Tai (worked for
30 Years with Unilever France) 465 pages. Softcover . Published by American Oil Chemist
Society (AOCS) The introduction to the work outlines a number of generalities one must be
familiar with in order to understand the world of detergents and its evolution. These include
the history, the world markets, details of the stages in the development of a product, and
consumer habit surveys.
