'Expedient Homemade Ammo' provides all the information you need to make simple and effective improvised ammunition. At the end of the day, you don't need 'Presses and Primers' to construct you own ammo with just a few simple tools. For academic study only.

~~Expedient Homemade Ammo --- The Home Gunsmith~~
Learning how to reuse your shotgun shells is every bit as valuable as learning how to craft bullets or make ammo. As survivors, we know how important it is to keep a variety of ammunition. Shotguns are no different. Much like crafting small caliber ammo, shotgun reloading supplies are simply a hull, the primer, the powder, the wad, and the shot.
