investor, record-setting pilot, engineer, film director, and philanthropist, known during his lifetime as one of the most financially successful individuals in the world. He first became prominent as a film producer, and then as an influential figure in the aviation industry.

Howard Hughes - Wikipedia

Though Howard Hughes was a business magnate of his own right, he was born into money. His father was an inventor who owned a business and many patents. His parents died within two years of each other when Hughes was a teenager. At 19, he was declared an emancipated minor, which allowed him to inherit his family's fortune.
