Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Perfect gift to complement someone doing the job, reflecting everyday, to-do lists, recording prayer journal, motivation, or doodling the day away. Also geat for taking notes in class, writing out your gratitude, or logging a book journal.

"This little book is founded on a Paper read, in 1878, at the Dublin meeting of the British Association for the Advancement of Science. It consists of a narrative of events in a journey through one of the least-visited parts of the world, and a record of what was seen of a Court and its surroundings, in which pomp and barbarism are strangely blended"--Preface.

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Rich in titles on English life and social history, this collection spans the world as it was known to eighteenth-century historians and explorers. Titles include a wealth of travel accounts and diaries, histories of nations from throughout the world, and maps and charts of a world that was still being discovered. Students of the War of American Independence will find fascinating accounts from the British side of conflict. + + + + The below data was compiled from various identification fields in the bibliographic record of this title.
