 Now that I'm doing A Level OCR Computer Science, it's pretty much GCSE Computer Science but with a bit more theory needed. However, you'll have to take on a whole new experience with the programming & binary part of the course (Component 2 I think), but those who have an interest for the subject will get used to it.

GCSE OCR Computer Science (9-1) Revision Notes | Teaching ...
 Cambridge IGCSE Computer Science helps learners develop an interest in computational thinking and an understanding of the principles of problem-solving using computers. They apply this understanding to create computer-based solutions to problems using algorithms and a high-level programming language. Learners also develop a range of technical skills, and the ability to effectively test and evaluate computing solutions.
