relationships in the future.

What is your true purpose in life? What do women really want? What makes a good lover? If you're a man reading this, you've undoubtedly asked yourself these questions but you may not have had much luck answering them. Until now. In *The Way of the Superior Man* David Deida explores the most important issues in men's lives from career and family to women and intimacy to love and spirituality to offer a practical guidebook for living a masculine life of integrity, authenticity, and freedom. Join this bestselling author and internationally renowned expert on sexual spirituality for straightforward advice, empowering skills, body practices, and more to help you realize a life of fulfillment, immediately and without compromise.

The Mala of God is a unique spiritual gift, an expression of the surrendered heart filled with prayer, devotion, and gratitude, yet imbued with the unsparing wisdom and power of non-dual self-inquiry. With profound simplicity, Advaita zen master Mooji unveils the intimate, mystical ways of the praying heart, and provides insight for those yearning to discover their true nature. Many of us seek inner peace and happiness, lasting self-realization and awakening, or a felt blissful oneness beyond the mere concept of unity. In our search for truth and enlightenment, we may find ourselves drawn deeply into sincere introspection or with a deep affinity for prayer as a means of self-discovery and communion with the Supreme. Using language familiar to many spiritual traditions, including Christianity and Sufism, this book bridges the seeming divide between devotion and non-dual self-inquiry. This beautiful collection can be read start to finish or opened to any page for insight into the moment—perfect for both the spiritual seeker with an interest in non-duality or one who is drawn to devotion and the power of prayer. Including over 100 powerful prayers and blessings, complemented by Mooji's drawings and handwritten sayings throughout, *The Mala of God* provides wisdom and inspiration that sets your heart free.

Tantra—often associated with Kundalini Yoga—is a fundamental dimension of Hinduism, emphasizing the cultivation of "divine power" (shakti) as a path to infinite bliss. Tantra has been widely misunderstood in the West, however, where its practices are often confused with eroticism and licentious morality. *Tantra: The Path of Ecstasy* dispels many common misconceptions, providing an accessible introduction to the history, philosophy, and practice of this extraordinary spiritual tradition. The Tantric teachings are geared toward the attainment of enlightenment as well as spiritual power and are present not only in Hinduism but also Jainism and Vajrayana Buddhism. In this book, Georg Feuerstein offers readers a clear understanding of authentic Tantra, as well as appropriate guidance for spiritual practice and the attainment of higher consciousness.

"Living the Life That You Are weaves together psychology, ancient wisdom, and honest personal reflections into a coherent and inspiring whole. If loneliness is the great disease of the modern age, then Nic's heartfelt plea for self-love is much-needed medicine." —Jeff Foster, author of *Falling in Love with Where You Are* When you feel isolated and alone, the world can seem like an enormously unfamiliar, confusing, and scary place. You may get caught up in your own thoughts and feelings, and even avoid connecting with others out of fear of being criticized, misunderstood, or uncomfortable—which only leads to more isolation and loneliness. This cycle can be hard to break, but you are not doomed to endure this painful condition of feeling lost and alone. This book can help you find authentic peace, confidence,

and connection with all that is, right here and now. *Living the Life That You Are* examines the modern-day dilemma of loneliness, revealing that its root cause is the belief that we're all separate individuals bound by personal limitations. We feel disconnected and incomplete, assuming that life's fullness exists somewhere out there, and that we must be, do, or have more for lasting fulfillment. But the truth is, despite our limited appearance, we are actually boundless. There is no divide between our internal and external worlds. This is the ancient philosophy of non-duality—we are the wholeness we are seeking. The life that you are is all that is right now: every texture, flavor, fragrance, sight, and sound in their abundance. Using radical mindfulness—a combination of mindfulness and non-dual self-inquiry—this book will guide you toward awakening to the transformative truth and love that is your foundational being. By learning to observe, acknowledge, and question your experience without censorship or prejudice, your sense of being lost and alone will give way to an enriching and comforting state of communion with all. Includes music downloads for a radically mindful soundtrack
