Proven Professional Management Skills & Teaching Strategies

Become the go-to substitute teacher that every school district is searching for. Ask any school administrator: a top-notch substitute teacher is golden, and this book gives you the Midas touch. Substitute Teaching from A to Z is a one-stop resource, whether you're a full-timer, just breaking in, or starting out as a career educator. Reinforced with true life tales from real substitute teachers and the stories of how they solved their biggest challenges, this book is a comprehensive guide written by a veteran teaching expert who specializes in training subs. You'll learn insider tricks on how to: Show school administrators you have the right stuff for the job Choose the most appropriate grades, subjects, and school districts for you Forge great relationships with everyone you work with Land the best classroom assignments Face a new class with confidence Maintain discipline, work without a lesson plan, and much more

Have no fear, the substitute is here! Be prepared with the confidence and the knowledge for any classroom situation. As a substitute teacher, you have the powers of a superhero. Who else could teach sixth grade math one day and then transform into a sub for the kindergarten gym instructor the next? What other educator bravely goes into work not knowing what subject or grade he or she will teach that day and still manages a smile? But even superheroes need a little help; that is where this book comes in. The Organized Teacher's Guide to Substitute Teaching is the only guide that gives you the tips and strategies to not only survive a day of strangers but actually create an impact in the classroom. Appropriate for grades kindergarten through six, this bible for substitute teachers will get you through the entire school day, even if the regular teacher did not leave lesson plans! Among hundreds of valuable ideas, The Organized Teacher's Guide to Substitute Teaching offers: A guide to making your own Substitute Teacher Tool Kit, filled with items you will need throughout your day In-depth information about each grade level so you know what to expect, no matter what class you're assigned Core curriculum activities, writing assignments, and projects specifically targeted to each grade level Sponge activities, games, and fillers designed to help you fill the time until class transitions or before the end of the day Advice on how to keep calm and in control even if students try to test your limits An interactive CD-ROM with ready-to-print templates and worksheets

Describes the qualifications and pay for substitute teaching, offers tips on successful subbing, and tells how to set career goals

After a hospital employee ends up dead, Mary Minor "Harry" Haristeen--along with her sleuthing animal companions Mrs. Murphy, Pewter and Tucker--must find the murderer, all while Harry deals with a health crisis herself. Reprint.
