Justice as Fairness: A Restatement is a 2001 book of political philosophy by the philosopher John Rawls, published as a restatement of his 1971 classic A Theory of Justice. The restatement was made largely in response to the significant number of critiques and essays written about Rawls's 1971 book on this subject. The released book was edited by Erin Kelly while Rawls was in declining health during his final years.

JUSTICE AS FAIRNESS: A RESTATEMENT. John Rawls. Harvard University Press, 2001, xviii + 214 pgs. Time has not been altogether kind to John Rawls. True enough, his A Theory of Justice has been the most widely acclaimed book in political philosophy since its publication thirty years ago. But Antony Flew, Robert Nozick, and other critics have devastated Rawls's Das Kapital of the welfare state, in particular his famous difference principle.

One is to rectify the more serious faults in A Theory of Justice that have obscured the main ideas of justice as fairness, as I called the conception of justice presented in that book. Since I still have confidence in those ideas and think the more important difficulties can be met, I have undertaken this reformulation.
