Dance is a wonderful hobby enjoyed by many people throughout the world. Besides being lots of fun, dancing is good for you, both physically and mentally. Anyone can learn to dance... it's a simple matter of learning how to move your body. One of the first steps you can take is to practice finding a beat in music.

Cultures Chapter 8 ...

Learning how to dance involves learning how to move. Now that you

have your arms moving,

try adding a few steps

with your feet: Pick up

one foot and then the

other, sort of like

marching in place. Bend

your knees in time to the

music, taking small steps

forward and backward

with both feet.
