The companion of Phaidon's popular The Endless City, Living in the Endless City will add the cities of Mumbai, Sao Paulo and Istanbul to the six cities of the first volume with the same mix of compelling photographs, in-depth and beautifully presented data, and smart writing by global thinkers. Each city is explored in a series of essays that address vital themes, from security to climate change, looking closely at the problems that face contemporary cities and examining a variety of solutions.

Living in the Endless City: The Urban Age Project by the ...

In 2050, over three quarters of the world's population will live in cities. This follow-up to Phaidon's successful The Endless City is a close look at the issues that affect cities, and thus human life across the globe in the twenty-first century. Based on a series of conferences held by the London School of Economics, Living in the Endless City examines Mumbai, Sao Paulo and Istanbul through a series of essays by global scholars and thinkers, photographs illustrating key aspects of life ...

Living in the endless city - LSE Research Online

Living in the Endless City. By 2050, around three quarters of the world's population will live in cities, and this ongoing shift in how we live poses fundamental challenges to human life across the globe. Based on the Urban Age Project, a series of conferences held by the London School of Economics and Political Science and Deutsche Bank's Alfred Herrhausen Gesellschaft, Living in the Endless City is a close look at the issues that affect cities, and thus people around the world, in the ...

Living in the Endless City - LSE Home

Living in the Endless City, a veritable tome published this year to mark the second and final instalment of the Urban Age Project by the London School of Economics, addresses these extremities. Sponsored by Deutsche Bank's Alfred Herrhausen Society, the self-proclaimed international 'think-and-do-tank', collaborated over five years to produce a comparative study of some of the largest but most diverse cities across the globe, intended to address the problem of accelerated urban growth.

Book Review: Living in the Endless City | British Politics ...

Living in the Endless City is the latest book from the Urban Age collective whose headquarters is based at the London School of Economics' Cities Department. In 2005 it forged with Deutsche Bank's Alfred Herrhausen Society a unique cycle of conferences, a think and do tank involving mayors, planners, architects, sociologists and urban geographers analyzing the patterns and implications of the growing, and in some cases, shrinking cities of the 21st century in an era of homogenizing ...

Living in the Endless City | Request PDF

"It's an urban jungle out there: a two-page spread of Berlin from Phaidon's The Endless City, edited by Ricky Burdett and Deyan Sudjic.The photographic urban studies title seeks to analyse the 'relentless' migration from rural areas to the city by focusing on London, New York, Shanghai, Berlin, Mexico City and Johannesburg.

The Endless City | Phaidon Store

Taking 6 key cities as its focal point: New York, Shanghai, London, Mexico City, Johannesburg and Berlin, The Endless City discusses in depth not only the infrastructure and architectural expansion necessary for continuous urban growth, but also the social and economic factors that are critical to urban development in the 21 st century. Clearly organised into separate sections for each city, the book will have a strong visual impact and make detailed scholarly research straightforward and ...
