Of course, a laboratory report can only be as good as the experimental work on which it is based.

What is sometimes overlooked, however, is the quality of the record written in the laboratory. For some experiments you will be given specially prepared report forms that specify exactly

Book

Keeping a laboratory notebook or logbook

is one of the most critical skills for young scientists to learn and is an integral part of a scientist's training.

Obtain a suitable notebook to serve as

File Type PDF

Logbook

the logbook. Ideally, it should feature a sewn binding (not loose leaf, where pages can be removed and inserted).
