Amid shifting social, economic and technological climates, young men are getting left behind, at least according to Philip Zimbardo and Nikita D. Coulobme in their 2015 book ' Man Disconnected: How the Digital Age is Changing Young Men Forever '. The two authors cite a range of anecdotal and research-evidence (some of it primary) to put forward the argument that men are 'flaming out academically', falling behind in the world of work, failing to connect with women and struggling with ...
