Organizational Behavior, 8e is written in the context of these emerging workplace realities. This edition explains how emotions are the foundation of employee motivation, attitudes, and decisions; how social networks generate power and shape communication patterns; how self-concept influences individual behavior, team cohesion, and leadership; and how adopting a global mindset has become an important employee characteristic in this increasingly interconnected world.

~~the organizational behavior 8th edition~~  
Organizational Behavior, Eighth Edition, continues in its tradition of being an up-to-date, relevant and user-driven textbook. Kreitner and Kinicki ' s approach to organizational behavior is based on the authors ' belief that reading a comprehensive textbook is hard work, but that the process should be interesting and sometimes fun. Thus, they consistently attempt to find a way to make complex ideas understandable through clear and concise explanations, contemporary examples, a visually ...
