(Easy Piano). Easy piano sheet music.

Comprises instrumental and vocal music dated 1787-1958, principally printed, collected by the Spanish music publisher Canuto Berea, with an emphasis on Galician composers. Publishers represented are principally Spanish, French, Italian, and German.

Dr. Suzuki questioned why all vocalists vocalize every day to improve their voices, but instrumentalists do not do so every day with their instruments. He believes that on any instrument, one needs to practice to make a more beautiful tone. First he talks about playing a beautiful resonant tone with the bow while plucking the string with a finger. When a pizzicato is played, the resonance goes on for a long time. Students should listen to that resonance and play the same kind of clear beautiful sound. He talks about how to make a difference in the tone by using a different bow speed, how to practice to find the resonance point, how to change the weight of the arm on the bow to produce a different kind of tone, and how to change tone color. This book includes all of Dr. Suzuki's basic ideas about tone.

(Instrumental Folio). Play 50 of your favorite pop tunes on your violin! This collection features arrangements written in accessible keys and ranges with lyrics and chord symbols. Songs include: All My Loving * Blowin' in the Wind * Clocks * Don't Stop Believin' * Every Breath You Take * Fireflies * Hey, Soul Sister * In My Life * Love Story * My Girl * Nights in White Satin * Sweet Caroline * Unchained Melody * Viva La Vida * What a Wonderful World * You've Got a Friend * and more.

Take a (violin) bow and let your inner musician shine! You don't have to be a genius to start fiddling around! Violin For Dummies helps budding violinists of all ages begin to play. If you've never read a note of music, this book will show you how to turn those little black dots into beautiful notes. Start slow as you learn how to hold the instrument, use the bow, finger notes, and play in tune. Watch yourself blossom into a musician with tips on technique and style. When you're ready to go further, this book will help you find the people and resources that can help you get just a little closer to virtuoso! Your own private lessons are right inside this book, with the included online video and audio instruction, plus recordings that will help you develop your "ear." This book takes the guesswork out of learning an instrument, so you'll be ready to join the band when the time comes! Choose a violin and learn the basics of holding the instrument and playing notes Start reading music with this fast-and-easy introduction to musical notation Improve your musicianship and start to play in groups Explore different music styles and legendary violin composers The violin is a beautiful thing-adding melody everywhere from orchestras to folk and pop tunes. With Violin For Dummies, you can make the music your own, even if you're a total music beginner.
