~~10~~ Technical Specs, Dimensions

The Partner is not a bad drive, thanks, in part, to front suspension derived from the Peugeot 306 car. A 75hp petrol engine was been available since launch, while the diesels available included a normally aspirated 1.9-litre with 70hp or a 90hp 2.0 HDi turbo.

Peugeot/Citroën recommend the engine oil and filter are changed every 10 000 miles or two years. However, oil and filter changes are good for the engine and we recommend that the oil and filter are renewed at least once a year, especially if the vehicle is used on a lot of short journeys.
