A paradox lies at the center of traditional civil-military relations theory.

The military, an institution designed to protect the polity, must also be strong enough to

threaten the society it

serves. A military take-over or coup is a worst-case example.

Ultimately, the military must accept that civilian authorities have the "right to be wrong".

Introduction. Civil-
military relations have
received extensive
scholarly attention,
especially during the
1960s-1980s period
when coups d'état were
very common in West
Africa, in particular, and
Africa, in general. Since
the beginning of what
