"The Diary of Saint Gemma Galgani by Saint Gemma Galgani: " Publisher: Kindle E-Book Edition: ISBN-13: 978-1-78379-224-5 Gemma Galgani was an Italian mystic, venerated as a saint in the Roman Catholic Church since 1940. She has been called the "Daughter of Passion" because of her profound imitation of the Passion of Christ. "Oh God, the moment of the assault has come; and it was strong, even terrible I would almost say. No sign of the cross, no scapular was enough to halt the most ugly temptation one could imagine; he was so horrifying that I closed my eyes and never opened them again until I was

absolutely freed." "My God, if I am without sin, I owe it only to you. You be thanked. What to say in those moments? To look for Jesus and not find him is a greater penance than the temptation itself. What I feel only Jesus knows, who watches secretly and is pleased. At a certain point when it seemed the temptation would take on more force, it came to mind to invoke the holy father of Jesus, and I shouted: "Eternal Father, for the blood of Jesus free me." The Dolorous Passion of Our Lord Jesus Christ is edifying, inspiring, surprising, and heart-rending. Emmerich's descriptions of our Lord's Passion will melt a heart of stone.

This book is the best on the Passion we have seen. This is her compelling visionary account of the events surrounding Jesus' final days. A primary source for Mel Gibson's epic movie, *The Passion of the Christ*.

years to do so, Pope Benedict has lived quietly in a convent in the Vatican gardens in Rome. He has devoted himself to a life of prayer and study and has vowed to remain silent, until now. So much controversy still surrounds Pope Benedict's time in office. In this book, written with bestselling German author Peter Seewald, he addresses the issues of his papacy and reveals how, at his late age, governing and reforming the Church was beyond him. Last Testament is also an autobiography, recalling Pope Benedict's childhood in Germany under Nazism, his early development as a priest, and eventually his

appointment as Archbishop of Munich. After becoming Pope, his account deals with the controversies that rocked the Catholic world: how he enraged Muslims with his Regensburg speech, what he did and did not do to stamp out the clerical sexual abuse of children, the 'Vatileaks' scandal and how he broke up a gay cabal within the Vatican itself. At all times, we see a man who is shy and retiring and modest being exceptionally open and frank with the outside world. In this Last Testament, a unique book insofar as no other living Pope has had the opportunity to write an account having left office, Benedict gives
