From the latches on our kitchen cabinets to the magnetic strips on our credit cards, we take magnetic forces for granted every day. Magnets are a relatively new technology, although people have remarked on naturally-occurring magnets, or loadstones, for hundreds of years. Mickaharic, in his inimitable, no-nonsense style relates the history and folklore of magnets and how they work, and explains several practical uses including improving fuel combustion, descaling water, and charging water for better plant growth. Most of his book is devoted to explaining how the attractive power of magnets can be harnessed in spells and vibrational healing. Mickaharic includes instructions on spells for attracting a job, a lover, or money/ making devices to magnetize oils and potions for increased potency/ making magnetic magic wands/ using magnets with sigils and seals/ making a Mesmer board for vibrational healing/ constructing a device for distant/covert communication/ working with energy rods/ and aura cleansing with magnets. Mickaharic also includes an interesting biography of the flamboyant Antoine Mesmer that rectifies the misunderstandings around his so-called discovery of "animal magnetism" and initiation of the practice of hypnotism.

Have you ever grown weary of going around the same mountain over and over again? Have you ever wondered why you continuously deal with the same issues generation after generation, with no victory in sight? Then you are probably dealing with something that is hidden much deeper within. It may have been planted generations before, unknown to you. This may have produced evil fruit and kept you and your family in bondage, robbing you of their blessings and ultimate destiny. In the Book Spirital Cleansing, you will understand the importance of getting to the root causes of the issue, thereby eliminating the evil fruit that is continuously reproduced in your life. It is time for the body of Christ to walk in freedom in every area of our lives. Sometimes as believers, we get stuck in a particular area of our lives in our walk with the Lord. And we often wonder why we can never gain the victory. The enemy tries to convince us that we can't get past it and we continue to reap a harvest of pain and defeat. It is time we stop settling for less than wholeness. Jesus defeated everything in His death, burial and resurrection. Obtain your Spiritual Cleansing and learn how to gain freedom in every area of your life and to share that freedom with others who need to break the chains of bondage in their own lives.

A blend of spiritual and practical material, Spirital Clearings offers a comprehensive checklist of situations that may require a personal, home, property, or business clearing, from confronting illness or feeling 'stuck' in life, to having trouble selling a home, to high employee turnover. In addition to describing energetic blockages, such as negative thought forms, author Diana Burney also discusses different categories of energy, its presence in the invisible world, and the unseen influences or beings that may be drawn to discordant energy. Through spirital clearings, Burney proposes, we can release our own negativity as well as guide unseen negative forces toward the light. The book's clearing rituals include prayers that invoke the assistance of higher beings such as archangels and Ascended Masters, incantations and chants from different spirital traditions, the visualization of divine light and the violet flame, and the expression of gratitude. Additional meditation and visualization exercises, descriptions of divine beings, and a summary of the universal laws provide readers with a clear path to fulfilling their potential and creating a personal environment of confidence, creativity, love, and acceptance.
