SugarCRM Integration User Guide for Versions 8, 9, and 10 Basics – What You'll Need to Begin. On premise only: You must also whitelist Act-On's IP addresses in your corporate IT... Install the Act-On Package for SugarCRM. Important: If you already have the package but need to upgrade versions, ...

SugarCRM Integration User Guide for Versions 8, 9, and 10 ...

Usually upgrades are done in small iterations, and we recommend that you upgrade as often as possible. But we know that if you're many versions behind the latest, and dealing with a large instance full of customisations, or having inherited the instance from a predecessor, perhaps with little documentation, can make the prospect of upgrading a bit more daunting.
