The Reputation Game: The Art of Changing How People See ...

Like a mirror we hold up to ourselves in the morning, the art of people-watching is a way for us to see ourselves in others. It is through a coffee shop window that we can finally understand the bizarreness of what it means to live, watching life and all of its peculiar characters pass us by. image – Dimitry B

Megan Bruneau, M.A., is a psychotherapist and wellness writer based in New York City. She received her bachelor of arts in psychology and family studies from the University of British Columbia and a masters of arts in counselling psychology from Simon Fraser University.

5 Things Everyone Should Know About Acceptance

Through her work, a single passerby or an entire local community can become an active participant in artistic creation. This type of art, which has been gaining momentum since the 1960s, can go by many names: socially engaged practice, community art, new genre public art, and activist art, among others. What unites these approaches is a new take on who holds the power, shifting agency away from institutions and even artists, and giving ordinary people the ability to create meaningful change ...
