At least one to three [liver-loving!] foods or supplements which include cabbage, cauliflower,... Exercise Recommendations. Dieters are ...

Fast Track Detox Diet Review - Freedieting
Here was the diet: for 11 days, we would eat no carbs, no sugar, no dairy, no alcohol. Instead, we had to eat at least one thing out of each of eight various categories, mostly leafy green categories, including such obscure plants as escarole, dandelion greens, and something called chard, which sounds like a cross between a Pokemon character and a 4-year-old's description of something he made in the potty.
