"Ann Leary's The Good House creates a one-of-a-kind character in Hildy Good, and gives us a raw, first-person glimpse into the mind of a middle-aged, outspoken wry New England realtor so real she might be someone you know...yet who also is hiding her alcoholism from her family, her town, and herself. By the end you'll be flipping pages, trying desperately to piece together what happened as much as the narrator is doing herself."
