**\*\*The Stars My Destination\*\*** by **\*Alfred Bester\*** is a scifi classic, and most of those don't work for me. This one was better than average, but I still felt like I was in a weird dream. Maybe it's just that my tolerance for people behaving horribly and/or stupidly is pretty low at the moment.

When it comes to pop culture, Alfred Bester (1913-1987) is something of an unsung hero. He wrote radio scripts, screenplays, and comic books (in which capacity he created the original Green Lantern Oath). But Bester is best known for his science-fiction novels, and *The Stars My Destination* may be his finest creation.
