Unaccustomed Earth is an apt title as first generation Indians try and fit into a completely different Western culture whilst clinging to their own customs and values and even imposing it on their western born and educated children. Such conflicts have been depicted by late Saed Jaffery in East is East rather hilariously!

Unaccustomed Earth is Jhumpa Lahiri's yet another collection of most dazzling short-stories of all times making it evident the umpteenth time the kind of prodigious skills she portrays with her art of putting together in words the distressed hearts and confused minds of her characters that are struggling in unknown lands, striving to accept outlandish ways while clutching the bag of their traditional ways close to their hearts and ending up in those neverlands where they find themselves still s1
