Absolutely wonderful, succinct and sage. Sansom's writing gets to the core of what a poem is and should be without the usual pretension. I particularly enjoyed the inclusion of real poetry so we can understand what context he is speaking in; I certainly discovered many new poets (David Constantine, etc.).

Part of my poetry practice last year and this year was reading more poetry and reading more about poetry. Peter Sansom is a noted English poet and teacher of poetry. His Writing Poems was published in the mid nineties, making this book 20 years old and you may well question the relevance of a text two decades out of date.
